[PROPOSED] ORDER
GRANTING MOTION FOR
APPROVAL OF CONSUMER
CLASS SETTLEMENT
FUNDS (ROUND 1)

17
18 Plaintiffs' Co-Liaison Counsel and the California Attorney General have moved for a
19 proposed distribution of the Consumer Class Settlement Fund pursuant to the Settlement Agreement
20 and the Plan of Distribution in this action. The Court-approved *Cy Prés* Fund Administrator, Harry
21 M. Snyder, has reviewed the applications for *cy prés* fund distributions put forward by various
22 entities, conducted due diligence on such applications, and has recommended an initial distribution
23 to certain of these entities. After reviewing all papers submitted and for the reasons set forth by the
24 Court at the hearing, the Court grants the motion of Plaintiffs' Co-Liaison Counsel and the California
25 Attorney General that Round 1 *cy prés* funds be distributed to those applicants identified in Exhibit
26 ____ to the attached Declaration of Harry M. Snyder.

27 In particular, it is further ordered that the California Attorney General's Vitamins
28 Settlement Special Deposit Fund application be funded for the amount of \$1 million to fund the
specific purposes outlined in the final application for those funds. A Special Committee, consisting

1 of the California Attorney General, the Senior Assistant Attorney General for Antitrust in the Office
2 of the California Attorney General, and the Fund Administrator are directed to promulgate standards
3 and procedures for the internal governance of the fund including, but not limited to, those delineated,
4 in the grant application for the Vitamins Settlement Special Deposit Fund.

5 This \$1 million grant to the California Attorney General's Office Antitrust Section and
6 Vitamins Settlement Special Fund shall be automatically revoked if the Legislature of the State of
7 California reduces the budget of the California Department of Justice to compensate for the funds
8 disbursed.
